Notes version: 13 Nov 12:02 IST (if this time is old, reload the page)

GEOGRAPHY · Natural resources of India and Andhra Pradesh and their distribution

UNDERSTAND IT FIRST

What is it? A **resource** is anything in nature that people can **use** with available technology: **land, water, forests, minerals, energy**. Resources are **renewable** (sun, wind, water, forests: replaced naturally if used wisely) or **non-renewable** (coal, oil, minerals: formed over millions of years and used up). Minerals are found where the **rocks** are right: most of India's metallic minerals lie in the **old Peninsular rocks**, coal in **Gondwana** basins, and oil in **young sedimentary** basins. Learn it as **kinds of resources → mineral belts → each mineral with its States and mines → energy → water and land → Andhra Pradesh**.

1. Minerals of India

India's mineral belts

Mineral	Leading States and famous mines	Use and notes
Iron ore	**Odisha** (largest producer; Keonjhar, Sundargarh), **Chhattisgarh** (**Bailadila**, Dantewada), **Jharkhand** (Noamundi), **Karnataka** (**Ballari**, Kudremukh, now closed), Goa.	Steel; **haematite** (best, ~70% iron) and **magnetite**; India is among the top producers and exporters.
Coal	**Gondwana** basins: **Jharkhand** (largest reserves; **Jharia** for coking coal, Bokaro), **Odisha** (Talcher), **Chhattisgarh** (Korba), **West Bengal** (Raniganj, India's first mine, 1774), MP (Singrauli), Telangana (Singareni); **lignite** in **Neyveli** (TN).	About **70%** of electricity still comes from coal; **Coal India** produces most; production crossed **1 billion tonnes (2024–25)**.
Bauxite, manganese	**Bauxite** (aluminium ore): **Odisha** (largest; **Panchpatmali**, Koraput), Jharkhand, Gujarat, Chhattisgarh, and the **Eastern Ghats of AP**. **Manganese**: **Odisha, MP** (Balaghat), **Maharashtra**, Karnataka, AP (**Vizianagaram**).	Aluminium (NALCO, Angul–Damanjodi); manganese for **steel** and batteries.
Copper, gold, zinc	**Copper**: **Khetri** (Rajasthan), **Malanjkhand** (MP), **Singhbhum** (Jharkhand). **Gold**: **Hutti** (Karnataka; Kolar fields closed 2001). **Zinc–lead**: **Zawar, Rampura Agucha** (Rajasthan).	India **imports** most of its copper and gold.
Atomic and critical minerals	**Uranium**: **Jaduguda** (Jharkhand), **Tummalapalle** (AP); **thorium** from **monazite** in **beach sands** of **Kerala, TN, AP, Odisha** (India has among the world's largest thorium reserves); **lithium**: **5.9 million tonnes** (inferred) found at **Reasi, J&K (2023)**; **National Critical Mineral Mission (2025)**.	Thorium is the base of India's **three-stage nuclear programme** (Homi Bhabha); lithium for **EV batteries**.

Non-metallic	**Mica**: Jharkhand (Koderma), **AP (Nellore–Gudur)**, Rajasthan. **Limestone**: MP, Rajasthan, **AP**, Karnataka. **Diamonds**: **Panna** (MP). **Gypsum**: Rajasthan. **Barytes**: **AP (Mangampet)**.	Mica for electrical insulation; limestone for **cement** (India is the **second-largest** cement producer).

2. Energy, water and land

- **Petroleum and gas: Digboi** (Assam; oil struck **1889**, one of the world's oldest working refineries), **Mumbai High** (offshore, 1974; largest field), **Gujarat** (Ankleshwar, Cambay), **Rajasthan** (Barmer, Mangala), **Krishna–Godavari basin** (gas). India imports about **85%** of its crude oil. **Nuclear: Tarapur (1969)**, Rawatbhata, Kalpakkam, **Kudankulam** (largest), Kaiga, Narora, Kakrapar. **Renewables:** solar (Rajasthan, Gujarat, Karnataka, AP), wind (**Gujarat, TN**, Karnataka); in **June 2025** India reached **50% of installed power capacity from non-fossil sources**, five years ahead of its 2030 NDC goal; the target is **500 GW non-fossil by 2030**.
- **Water:** India has about **18%** of the world's people but only about **4%** of its fresh water; per-capita availability is about **1,500 m³ a year** (below **1,700** = **water-stressed**; below 1,000 = scarce); **agriculture** uses about **80%**; groundwater is over-used in **Punjab, Haryana, Rajasthan**; **Jal Jeevan Mission (2019)**, **Atal Bhujal Yojana (2020)**, **Amrit Sarovar (2022)**. **Land:** about **43%** of the area is **net sown**, about a quarter under **forest and tree cover**; **land degradation** affects about **30%** (ISRO atlas).

3. Andhra Pradesh

Andhra Pradesh: main resources

- **Minerals: barytes** at **Mangampet** (YSR Kadapa; among the world's largest single deposits; AP supplies most of India's output; used in **oil-well drilling mud**); **limestone** (Nandyal–Kurnool, YSR Kadapa, **Palnadu** around Piduguralla, and the **Yerraguntla** cement area; AP is a major cement State); **granite** (**Chimakurthy 'galaxy' granite**, Prakasam; also Srikakulam, Chittoor); **mica** (**Gudur–Nellore** belt); **uranium** at **Tummalapalle** (YSR Kadapa; mined by UCIL); **heavy-mineral beach sands** (ilmenite, monazite, zircon) along the coast from **Srikakulam to Nellore**; **manganese** in **Vizianagaram–Srikakulam**; **bauxite** in the **Eastern Ghats** (Alluri Sitharama Raju; not mined because of tribal and forest concerns); **diamond-bearing kimberlite** at **Wajrakarur** (Anantapur) and the historic **Golconda diamonds** from the **Kollur** mines on the Krishna (the **Koh-i-Noor**); **quartz, feldspar, steatite** (Kadapa).
- **Energy and water: KG basin** oil and gas (**ONGC**, Reliance's **KG-D6**); **Visakhapatnam** has the **HPCL refinery** and the **Vizag Steel Plant (RINL)**; large **solar parks** in **Kurnool** and **Anantapur** (NP Kunta) and **wind farms** in Rayalaseema; **pumped-storage** projects (e.g. **Pinnapuram**, integrated renewable project); thermal plants at **Vijayawada (Dr NTTPS)**, **Krishnapatnam**, **Simhadri**; hydel at **Srisailam** and **Lower Sileru**. **Water** resources come from the **Godavari and Krishna** systems (see Day 35) plus thousands of **tanks**, especially in Rayalaseema.

OTHER ANGLES ASKED IN EXAMS

Other angles asked: (1) **Gondwana vs Tertiary coal**: about **98%** of India's coal is Gondwana; **Tertiary** coal is in the **NE** (Assam, Meghalaya). (2) **Anthracite** has the highest carbon, then **bituminous**, **lignite**, **peat**.

(3) **Mineral rights**: the **Supreme Court (2024, Mineral Area Development Authority case)** held that **States can tax mineral rights**; royalty is not a tax. (4) **MMDR Act 1957** (amended 2015: **auction** of mines, **District Mineral Foundations**). (5) **Rare earths** are handled by **IREL** (Indian Rare Earths Ltd). (6) **Copper and gold**: India depends heavily on imports, so 'largest producer' traps are common.

EXAM TRAP

Renewable vs non-renewable; old Peninsular rocks (metals), Gondwana (coal), sedimentary (oil); iron ore: Odisha largest; Bailadila, Ballari, Noamundi, Kudremukh (closed); haematite best; coal: Jharkhand reserves (Jharia coking), Talcher, Korba, Raniganj (1774), Singrauli, Singareni; Neyveli lignite; ~70% power; 1 bn t (2024–25); bauxite: Odisha (Panchpatmali), AP Eastern Ghats; NALCO; manganese: Odisha, MP (Balaghat), Maharashtra, AP Vizianagaram; copper: Khetri, Malanjkhand, Singhbhum; gold: Hutti (Kolar closed 2001); zinc: Zawar, Rampura Agucha; uranium: Jaduguda, Tummalapalle; thorium: monazite beach sands; 3-stage programme; lithium: Reasi J&K 2023 (5.9 Mt); NCMM 2025; mica: Koderma, Gudur; diamonds: Panna; Digboi 1889; Mumbai High 1974; KG basin; ~85% crude imported; nuclear: Tarapur 1969, Kudankulam largest; 50% non-fossil capacity (June 2025); 500 GW by 2030; water: 18% people, 4% water; ~1,500 m^3 (stressed <1,700); agriculture ~80%; JJM 2019, Atal Bhujal 2020, Amrit Sarovar 2022; net sown ~43%; AP: barytes Mangampet; limestone (Yerraguntla, Piduguralla); galaxy granite Chimakurthy; mica Gudur; uranium Tummalapalle; beach sands; manganese Vizianagaram; bauxite (not mined); Wajrakarur kimberlite; Kollur (Koh-i-Noor); KG-D6; HPCL, RINL Vizag; solar Kurnool, NP Kunta; Pinnapuram; MMDR 1957/2015; SC 2024 mineral tax.

Test yourself: 8 questions (tap an option to see the answer)

PRACTICE

Consider the following statements:
1. Odisha is the leading producer of both iron ore and bauxite in India.
2. Jharkhand has the largest coal reserves in India.
3. Mumbai High is an offshore oilfield.
4. Digboi in Assam has one of the world's oldest working oil refineries.
Which of the above are correct?

A. 1 and 2 only

B. 1, 2 and 3 only

C. 2, 3 and 4 only

D. 1, 2, 3 and 4

Answer: D. All four statements are correct.

PRACTICE

Match List-I (mineral) with List-II (place):

List-I (mineral)	List-II (place)
A. Barytes	1. Hutti
B. Uranium	2. Khetri
C. Copper	3. Tummalapalle
D. Gold	4. Mangampet

(1) A → 3 B → 4 C → 2 D → 1

(2) A → 4 B → 3 C → 2 D → 1

(3) A → 4 B → 2 C → 3 D → 1

(4) A → 4 B → 3 C → 1 D → 2

Answer: (2) Barytes: Mangampet; uranium: Tummalapalle; copper: Khetri; gold: Hutti.

PRACTICE

Which one of the following statements is NOT correct?

A. Kudremukh is famous for coal mining.

B. Neyveli in Tamil Nadu is known for lignite.

C. Jharia is known for coking coal.

D. Panna in Madhya Pradesh is known for diamonds.

Answer: A. Kudremukh (Karnataka) was an iron-ore mine, now closed.

PRACTICE

Assertion (A): India is classed as a water-stressed country.

Reason (R): India has more than 20% of the world's fresh water.

Choose the correct answer:

A. Both A and R are true and R is the correct explanation of A

B. Both A and R are true but R is not the correct explanation of A

C. A is true but R is false

D. A is false but R is true

Answer: C. A is true (per-capita availability is below 1,700 m^3 a year). R is false: India has only about 4% of the world's fresh water for about 18% of its people.

PRACTICE

The beach sands of Kerala, Tamil Nadu, Andhra Pradesh and Odisha contain monazite. Monazite is an important source of which nuclear fuel?

A. Uranium

B. Thorium

C. Plutonium

D. Lithium

Answer: B. Monazite contains thorium, the base of the third stage of India's nuclear programme.

PRACTICE

Consider the following statements:
I. Large lithium reserves were found in 2023 at Reasi in Rajasthan.
II. Panna in Kerala is famous for diamond mining.
Which of the statements given above is/are correct?

A. I only

B. II only

C. Both I and II

D. Neither I nor II

Answer: D. Reasi is in Jammu and Kashmir; Panna is in Madhya Pradesh.

PRACTICE

Consider the following pairs (mine – mineral):
1. Bailadila – iron ore
2. Malanjkhand – gold
3. Jaduguda – thorium

4. Wajrakarur – mica

How many of the above pairs are correctly matched?

A. Only one pair

B. Only two pairs

C. Only three pairs

D. All four pairs

Answer: A. Only pair 1 is correct. Malanjkhand: copper; Jaduguda: uranium; Wajrakarur: diamond-bearing kimberlite.

PRACTICE

A builder wants the famous black 'galaxy' granite of Andhra Pradesh, quarried at Chimakurthy. In which district should he look?

A. Srikakulam

B. Kurnool

C. Prakasam

D. Krishna

Answer: C. Chimakurthy galaxy granite comes from Prakasam district.

RECALL BOX: CLOSE THE NOTES AND WRITE THESE IN YOUR OWN WORDS

1. Write the kinds of resources and the five mineral belts. 2. Write each mineral with its leading States, mines and use, and the energy, water and land facts. 3. Write Andhra Pradesh's minerals, energy projects and water sources.

ECONOMY · Indian tax structure and GST

UNDERSTAND IT FIRST

What is it? A **tax** is a **compulsory payment** to the Government without a direct return for the payer; it funds public services. Under **Article 265**, **no tax can be levied or collected except by authority of law**. Taxes are **direct** (the person on whom it is levied bears it: income tax) or **indirect** (the burden is **passed on** to the buyer: GST). The **Seventh Schedule** divides taxing powers between the Union and States, and

> **GST (2017)** pooled most indirect taxes into one. Learn it as **principles and kinds → who taxes what → direct taxes → GST in detail → reforms and numbers → AP's own taxes**.

1. Kinds of taxes and who levies them

India's tax structure

- **By rate: progressive** (rate rises with income: income tax slabs; promotes equity), **proportional** (same rate for all), **regressive** (takes a larger share from the poor: many indirect taxes on necessities). **Direct taxes** are progressive and harder to evade but cover fewer people; **indirect taxes** are broad-based but can be regressive. **Tax buoyancy** = % change in tax revenue ÷ % change in GDP (includes effect of rate changes); **elasticity** excludes rate changes. The **Laffer curve** says very high rates can **reduce** revenue.
- **Seventh Schedule: Union List**: taxes on income **other than agricultural income**, **corporation tax**, **customs**, excise on tobacco and some goods, and **CGST/IGST**. **State List**: **agricultural income tax**, **land revenue**, **excise on alcohol for human consumption**, **stamp duty** (except on financial documents), taxes on **vehicles**, **electricity consumption**, sales tax on **petroleum products and liquor**, and **SGST**. **Local bodies** collect **property tax** and **professional tax** (**Article 276**, cap **₹2,500** a year). India's tax-to-GDP ratio (Centre + States) is about **18%**; the Centre's gross tax is about **11–12%** of GDP; **direct taxes** now bring in **more** than indirect taxes for the Centre.

Direct tax	Key facts
Personal income tax	Two regimes: the **new regime** (lower rates, few deductions; **default since 2023–24**) and the old regime (with deductions like 80C). From **Budget 2025**, **no tax on income up to ₹12 lakh** under the new regime (**₹12.75 lakh** for salaried people with the ₹75,000 standard deduction). The **Income-tax Act, 2025** replaced the **1961 Act** from **1 April 2026** with simpler language (it introduces a single **'tax year'**).
Corporation tax and others	**September 2019** cut: **22%** for domestic companies giving up exemptions (about **25%** with surcharge and cess). **Securities Transaction Tax (2004)**; **TDS/TCS**; **faceless assessment (2020)**; **Vivad se Vishwas** schemes for settling disputes. **Abolished: estate duty (1985)**, **gift tax (1998)**, **wealth tax (Budget 2015)**, the **equalisation levy** on online ads (from April 2025).

2. Goods and Services Tax (GST)

How GST works

- **Basis:** the **101st Constitutional Amendment (2016)** added **Article 246A** (both **Parliament and State legislatures** can make GST laws), **269A** (**IGST** on inter-State supply, levied and collected by the Centre and shared), and **279A** (**GST Council**). GST began on **1 July 2017** (midnight session of Parliament), replacing about **17 taxes** (central excise, service tax, VAT, entry tax, octroi and others). It is a **destination-based consumption tax**: tax goes to the State where goods are **consumed**. **Input tax credit** removes the

cascading ('tax on tax') effect. The idea came from the **Kelkar Task Force (2003)**; France was the first country to adopt VAT/GST (1954).

- **GST Council:** chaired by the **Union Finance Minister**; all State Finance Ministers are members; the **Centre has 1/3** of the votes and **all States together 2/3**; a decision needs **3/4** of weighted votes; the **Supreme Court (Mohit Minerals, 2022)** said its recommendations are **persuasive, not binding**. **GST 2.0** (56th Council meeting, effective **22 September 2025**): mainly **two slabs, 5% and 18%**, a special **40%** rate on **sin and luxury goods** (e.g. pan masala, tobacco, large cars), and **0%** on many essentials; the **compensation cess** to States (promised for five years till June 2022, later used to repay COVID loans) was wound down. **Outside GST** for now: **alcohol for drinking**, **petrol, diesel, ATF, crude oil, natural gas** (in GST law but the Council has not fixed a date), **electricity**. Systems: **GSTN** (IT backbone), **e-way bill (2018)**, **e-invoicing**, and the **GST Appellate Tribunal** (began functioning in **2025**).
- **Andhra Pradesh's own taxes:** the largest is **SGST**, followed by **sales tax/VAT on petroleum products and liquor**, **State excise** on liquor, **stamps and registration**, and **motor vehicle tax**; AP also gets a share of central taxes (about **4%** under the Finance Commission) and grants. A **registration threshold** applies to small businesses (about **₹40 lakh** turnover for goods, **₹20 lakh** for services in most States), and a **composition scheme** (turnover up to **₹1.5 crore**) lets small traders pay a flat low rate.

OTHER ANGLES ASKED IN EXAMS

Other angles asked: (1) **Cess and surcharge** are **not shared** with States (Article 270/271), so their rising share is a federal complaint. (2) **Customs duty** stays outside GST; **IGST** is also charged on **imports**. (3) **GST on alcohol for human consumption** needs a **constitutional amendment**; petroleum needs only a **Council decision**. (4) **'One Nation, One Tax'** is the slogan; the **GST Council is a constitutional body**, the **GSTN is a not-for-profit company**. (5) **Tax expenditure** = revenue forgone due to exemptions. (6) **Pigouvian taxes** (on pollution, tobacco) correct harmful behaviour; GST 2.0's **40%** slab is an example.

EXAM TRAP

Art 265 (no tax without law); **direct (income, corporation, STT) vs indirect (GST, customs)**; **progressive, proportional, regressive**; **buoyancy vs elasticity; Laffer curve**; **Union: non-farm income, corporation, customs, CGST/IGST**; **State: farm income, land revenue, liquor excise, stamps, vehicles, electricity, petroleum/liquor sales tax, SGST**; **local: property tax, professional tax ≤ ₹2,500 (Art 276)**; **tax-GDP ~18% (Centre ~11–12%)**; **direct > indirect for Centre**; **new regime default (2023–24); nil tax up to ₹12 lakh (₹12.75 lakh salaried) from Budget 2025; Income-tax Act 2025 from 1 April 2026 ('tax year')**; **corporation tax 22% (Sept 2019)**; **STT 2004; faceless 2020**; **abolished: estate duty 1985, gift tax 1998, wealth tax 2015, equalisation levy 2025**; **GST: 101st Amendment 2016; Arts 246A, 269A, 279A; 1 July 2017; ~17 taxes subsumed; destination-based; ITC; Kelkar 2003; France 1954**; **Council: FM chair; Centre 1/3, States 2/3; 3/4 to pass; Mohit Minerals 2022 (not binding)**; **GST 2.0 (22 Sept 2025): 5%, 18%, 40% sin/luxury; compensation cess wound down**; **outside: alcohol, petrol, diesel, ATF, crude, gas, electricity**; **GSTN, e-way bill 2018, GSTAT 2025**; **threshold ₹40 lakh / ₹20 lakh; composition ₹1.5 crore**; **AP: SGST, VAT on petroleum and liquor, excise, stamps, vehicle tax; ~4% FC share**.

Test yourself: 8 questions (tap an option to see the answer)

PRACTICE

Consider the following statements:

1. Under Article 265, no tax can be levied or collected except by authority of law.

2. Corporation tax is a direct tax.

3. GST is a destination-based consumption tax.

4. Tax on agricultural income is levied by the Union Government.

Which of the above are correct?

A. 1 and 2 only

B. 2, 3 and 4 only

C. 1, 2 and 3 only

D. 1, 2, 3 and 4

Answer: C. Tax on agricultural income is in the State List.

PRACTICE

Match List-I with List-II:

List-I	List-II
A. 101st Constitutional Amendment	**1.** Power of both Parliament and State legislatures to make GST laws
B. Article 279A	**2.** GST on inter-State supply (IGST)
C. Article 269A	**3.** GST Council
D. Article 246A	**4.** Amendment that introduced GST

(1) A → 4 B → 3 C → 2 D → 1

(2) A → 3 B → 4 C → 2 D → 1

(3) A → 4 B → 2 C → 3 D → 1

(4) A → 4 B → 3 C → 1 D → 2

Answer: (1) 101st Amendment introduced GST; 279A: Council; 269A: IGST; 246A: concurrent law-making power.

PRACTICE

Which one of the following statements is NOT correct?

A. The Union Finance Minister chairs the GST Council.

B. Petrol and diesel are currently taxed under GST.

C. Input tax credit removes the cascading effect of taxes.

D. Customs duty remains outside GST.

Answer: B. Petrol, diesel, ATF, crude oil and natural gas are not yet taxed under GST; States levy VAT and the Centre levies excise on them.

PRACTICE

Assertion (A): GST is a progressive direct tax.
Reason (R): GST is levied on the supply of goods and services.
Choose the correct answer:

A. Both A and R are true and R is the correct explanation of A

B. Both A and R are true but R is not the correct explanation of A

C. A is true but R is false

D. A is false but R is true

Answer: D. A is false: GST is an indirect tax whose burden passes to the consumer. R is true.

PRACTICE

A trader in Guntur sells machinery to a buyer in Bengaluru (Karnataka). Which GST applies to this sale?

A. IGST, which finally goes to Karnataka (the consuming State)

B. CGST and SGST of Andhra Pradesh

C. SGST of Karnataka only

D. Customs duty

Answer: A. Inter-State supply attracts IGST; since GST is destination-based, the State share goes to Karnataka.

PRACTICE

Consider the following statements:

I. Under GST 2.0 (from September 2025), the main GST slabs are 5% and 18%.

II. GST 2.0 has a special 40% rate for sin and luxury goods.

Which of the statements given above is/are correct?

A. I only

B. II only

C. Both I and II

D. Neither I nor II

Answer: C. Both are correct.

PRACTICE

Consider the following pairs:

1. Wealth tax – abolished in Budget 2015

2. Securities Transaction Tax – introduced in 2004

3. Kelkar Task Force – tax reforms

4. Income-tax Act, 2025 – replaces the Income-tax Act, 1961

How many of the above pairs are correctly matched?

A. Only one pair

B. Only two pairs

C. Only three pairs

D. All four pairs

Answer: D. All four pairs are correct.

PRACTICE

Under a tax, a person earning ₹5 lakh pays 5% while a person earning ₹50 lakh pays 30% of the extra income. What kind of tax is this?

A. Proportional

B. Progressive

C. Regressive

D. Flat

Answer: B. The rate rises as income rises, so the tax is progressive.

RECALL BOX: CLOSE THE NOTES AND WRITE THESE IN YOUR OWN WORDS

1. Write Art 265, kinds of taxes, buoyancy, Laffer curve and the Union, State and local tax lists. 2. Write the income-tax regimes, the 2025 Act, corporation tax and abolished taxes. 3. Write GST: amendment and Articles, structure, ITC, Council voting, GST 2.0 rates, items outside, systems and AP's own taxes.

TIMED PRACTICE · Polity: 30 questions in APPSC pattern (60 minutes)

UNDERSTAND IT FIRST

How to take this test: set a timer for **60 minutes**. Close all notes. Answer all 30 by tapping, but **write your choice on paper first** (A, B, C or D) so the answer does not show before you decide. Score: **+1** for correct, **−1/3** for wrong. **Target: 22 or more.** Then **correct every wrong answer**: write the right fact in one line and the Polity topic it belongs to in the box at the end.

PRACTICE

1. Consider the following statements about the Preamble:
1. 'Socialist', 'Secular' and 'Integrity' were added by the 42nd Amendment.
2. The Supreme Court held in the Kesavananda Bharati case that the Preamble is part of the Constitution.
3. The Preamble has been amended only once.
4. The Preamble is directly enforceable in a court of law.
Which of the above are correct?

A. 1 and 2 only

B. 2, 3 and 4 only

C. 1, 2 and 3 only

D. 1, 2, 3 and 4

Answer: C. The Preamble is not enforceable in courts; it helps interpret the Constitution.

PRACTICE

2. Match List-I (Article) with List-II (right):

List-I (Article)	List-II (right)

A. Article 14	**1.** Right to constitutional remedies
B. Article 17	**2.** Free and compulsory education for children aged 6–14
C. Article 21A	**3.** Abolition of untouchability
D. Article 32	**4.** Equality before law

(1) A → 4 B → 3 C → 2 D → 1

(2) A → 3 B → 4 C → 2 D → 1

(3) A → 4 B → 2 C → 3 D → 1

(4) A → 4 B → 3 C → 1 D → 2

Answer: (1) 14: equality; 17: untouchability; 21A: education; 32: remedies.

PRACTICE

3. Which one of the following statements is NOT correct?

A. Article 32 is called the 'heart and soul' of the Constitution by Dr Ambedkar.

B. Fundamental Rights can be suspended during a National Emergency, except Articles 20 and 21.

C. Right to education was added by the 86th Amendment.

D. The right to property is a Fundamental Right today.

Answer: D. The 44th Amendment (1978) removed it from Part III; it is now a legal right under Article 300A.

PRACTICE

4. Assertion (A): Directive Principles of State Policy cannot be enforced in courts.
Reason (R): Directive Principles are contained in Part IV of the Constitution.
Choose the correct answer:

A. Both A and R are true and R is the correct explanation of A

B. Both A and R are true but R is not the correct explanation of A

C. A is true but R is false

D. A is false but R is true

Answer: B. Both are true, but non-enforceability comes from Article 37, not merely from their being in Part IV.

PRACTICE

5. A man is picked up by unknown officials and his family cannot find out where he is held. They want the court to order that he be produced before it. Which writ should they seek?

A. Mandamus

B. Certiorari

C. Habeas corpus

D. Quo warranto

Answer: C. Habeas corpus ('produce the body') protects against illegal detention.

PRACTICE

6. Consider the following statements:
I. Fundamental Duties were added on the recommendation of the Sarkaria Commission.
II. There are now 11 Fundamental Duties.
Which of the statements given above is/are correct?

A. I only

B. II only

C. Both I and II

D. Neither I nor II

Answer: B. Fundamental Duties came from the Swaran Singh Committee (42nd Amendment, 1976); the 86th Amendment added the 11th.

PRACTICE

7. Consider the following pairs:
1. President – elected by elected members of both Houses of Parliament and of State Legislative Assemblies
2. Vice-President – elected by elected members of State Legislatures
3. Impeachment of the President – Article 72

4. Ordinance-making power of the President – Article 213

How many of the above pairs are correctly matched?

A. Only one pair

B. Only two pairs

C. Only three pairs

D. All four pairs

Answer: A. Only 1 is correct. The Vice-President is elected by members of both Houses of Parliament; impeachment is Article 61; the President's ordinance power is Article 123 (213 is the Governor's).

PRACTICE

8. Which one of the following statements about a Money Bill is NOT correct?

A. It can be introduced only in the Lok Sabha.

B. The Speaker certifies whether a Bill is a Money Bill.

C. The Rajya Sabha must return it within 14 days.

D. The Rajya Sabha can reject a Money Bill.

Answer: D. The Rajya Sabha can only make recommendations, which the Lok Sabha may accept or reject; it cannot reject a Money Bill.

PRACTICE

9. Consider the following statements:

1. A joint sitting of Parliament is presided over by the Speaker of the Lok Sabha.

2. There is no joint sitting for Money Bills or Constitutional Amendment Bills.

3. The Rajya Sabha is a permanent House; one-third of its members retire every two years.

4. The Vice-President is the ex-officio Chairman of the Lok Sabha.

Which of the above are correct?

A. 1 and 2 only

B. 2, 3 and 4 only

C. 1, 2 and 3 only

D. 1, 2, 3 and 4

Answer: C. The Vice-President is the ex-officio Chairman of the Rajya Sabha, not the Lok Sabha.

PRACTICE

10. Match List-I (Amendment) with List-II (subject):

List-I (Amendment)	List-II (subject)
A. 42nd	1. Voting age lowered from 21 to 18
B. 44th	2. Panchayati Raj
C. 61st	3. Right to property removed from Fundamental Rights
D. 73rd	4. Called the 'Mini Constitution'

(1) A → 4 B → 3 C → 1 D → 2

(2) A → 3 B → 4 C → 1 D → 2

(3) A → 4 B → 1 C → 3 D → 2

(4) A → 4 B → 3 C → 2 D → 1

Answer: (1) 42nd: mini constitution; 44th: property; 61st: voting age; 73rd: panchayats.

PRACTICE

11. Assertion (A): The Supreme Court has original jurisdiction in disputes between the Centre and one or more States.
Reason (R): The Supreme Court is the highest court of appeal in India.
Choose the correct answer:

A. Both A and R are true and R is the correct explanation of A

B. Both A and R are true but R is not the correct explanation of A

C. A is true but R is false

D. A is false but R is true

Answer: B. Both are true. Original jurisdiction comes from Article 131; being the top appeal court (Arts 132–136) is a separate jurisdiction and does not explain A.

PRACTICE

12. The Governor of a State reports that the government there cannot be carried on according to the Constitution. Under which Article can the President impose President's Rule?

A. Article 352

B. Article 360

C. Article 365

D. Article 356

Answer: D. Article 356 deals with failure of constitutional machinery in a State; 352 is National Emergency, 360 Financial Emergency.

PRACTICE

13. Which one of the following statements is NOT correct?

A. A Financial Emergency under Article 360 was declared in 1991.

B. National Emergency has been declared three times.

C. The 44th Amendment replaced 'internal disturbance' with 'armed rebellion'.

D. The S.R. Bommai case (1994) put limits on the use of Article 356.

Answer: A. A Financial Emergency has never been declared in India, even during the 1991 crisis.

PRACTICE

14. Consider the following pairs (body – Article):
1. Comptroller and Auditor General – Article 148
2. Election Commission – Article 324
3. Union Public Service Commission – Article 315
4. Finance Commission – Article 312
How many of the above pairs are correctly matched?

A. Only one pair

B. Only two pairs

C. Only three pairs

D. All four pairs

Answer: C. The Finance Commission is Article 280; Article 312 deals with All-India Services.

PRACTICE

15. Match List-I with List-II:

List-I	List-II
A. Eleventh Schedule	1. State Finance Commission for panchayats
B. Twelfth Schedule	2. State Election Commission for panchayats
C. Article 243K	3. 18 subjects for municipalities
D. Article 243I	4. 29 subjects for panchayats

(1) A → 3 B → 4 C → 2 D → 1

(2) A → 4 B → 3 C → 2 D → 1

(3) A → 4 B → 2 C → 3 D → 1

(4) A → 4 B → 3 C → 1 D → 2

Answer: (2) 11th Schedule: 29 subjects; 12th: 18 subjects; 243K: SEC; 243I: SFC.

PRACTICE

16. Consider the following statements:

I. The Balwantrai Mehta Committee recommended a two-tier panchayat system.

II. The Ashok Mehta Committee recommended a three-tier panchayat system.

Which of the statements given above is/are correct?

A. I only

B. II only

C. Both I and II

D. Neither I nor II

Answer: D. It is the other way round: Balwantrai Mehta (1957) recommended three tiers; Ashok Mehta (1977) recommended two tiers.

PRACTICE

17. A State law on a Concurrent List subject conflicts with an earlier Central law on the same subject. The State law was not reserved for the President. Which law prevails?

A. The State law, because it is later

B. Whichever law the Governor prefers

C. The Central law, to the extent of the conflict (Article 254)

D. Neither; both become void

Answer: C. Under Article 254(1) the Central law prevails; a State law prevails in the State only if reserved for and assented to by the President (254(2)).

PRACTICE

18. Consider the following statements about Andhra Pradesh:
1. Under the AP Reorganisation Act, 2014, Telangana was formed on 2 June 2014.
2. Article 371D provides for equitable opportunities in public employment and education.
3. Andhra Pradesh has a Legislative Council.
4. Hyderabad was to be the common capital for up to ten years.
Which of the above are correct?

A. 1, 2, 3 and 4

B. 1, 2 and 4 only

C. 2 and 3 only

D. 1 and 4 only

Answer: A. All four are correct (the common-capital period ended on 2 June 2024).

PRACTICE

19. Arrange the following in chronological order:
1. Adoption of the Constitution by the Constituent Assembly
2. Kesavananda Bharati judgment
3. Minerva Mills judgment
4. Golaknath judgment
Select the correct order:

A. 1, 2, 4, 3

B. 1, 4, 2, 3

C. 4, 1, 2, 3

D. 1, 4, 3, 2

Answer: B. 26 Nov 1949 → Golaknath 1967 → Kesavananda 1973 → Minerva Mills 1980.

PRACTICE

20. Which one of the following statements about the Governor is NOT correct?

A. The Governor is appointed by the President (Article 155).

B. The Governor acts on the aid and advice of the Council of Ministers, except in discretionary matters.

C. The Governor can be removed only by impeachment.

D. The Governor can reserve certain Bills for the consideration of the President.

Answer: C. The Governor holds office during the pleasure of the President; there is no impeachment for a Governor.

PRACTICE

21. Consider the following statements about the Election Commission:
1. It is provided for in Article 324.
2. The Chief Election Commissioner can be removed only in the manner of a Supreme Court judge.
3. It has been a multi-member body since 1993.
4. Under the 2023 Act, Election Commissioners are chosen on the advice of a committee of the Prime Minister, the Leader of the Opposition and a Union Minister.
Which of the above are correct?

A. 1 and 2 only

B. 1, 2 and 3 only

C. 2, 3 and 4 only

D. 1, 2, 3 and 4

Answer: D. All four are correct.

PRACTICE

22. Match List-I (body) with List-II (basis):

List-I (body)	List-II (basis)
A. NITI Aayog	1. Executive resolution, 2015
B. National Human Rights Commission	2. Protection of Human Rights Act, 1993
C. Finance Commission	3. Article 280 of the Constitution
D. Lokpal	4. Lokpal and Lokayuktas Act, 2013

(1) A → 1 B → 2 C → 3 D → 4

(2) A → 2 B → 1 C → 3 D → 4

(3) A → 1 B → 3 C → 2 D → 4

(4) A → 1 B → 2 C → 4 D → 3

Answer: (1) NITI: executive resolution; NHRC: 1993 Act; FC: Art 280; Lokpal: 2013 Act.

PRACTICE

23. Assertion (A): Under the Tenth Schedule, the Speaker or Chairman decides questions of disqualification on grounds of defection.
Reason (R): The Tenth Schedule was added by the 52nd Amendment in 1985.
Choose the correct answer:

A. Both A and R are true and R is the correct explanation of A

B. Both A and R are true but R is not the correct explanation of A

C. A is true but R is false

D. A is false but R is true

Answer: B. Both are true, but the date of the amendment does not explain who decides disqualification.

PRACTICE

24. A citizen files an RTI application with a government office about the status of his pension file. Within how many days must the Public Information Officer normally reply?

A. 15 days

B. 60 days

C. 90 days

D. 30 days

Answer: D. The RTI Act, 2005 sets 30 days (48 hours if life or liberty is involved).

PRACTICE

25. Consider the following statements:
I. The doctrine of the 'basic structure' was laid down in the Kesavananda Bharati case (1973).
II. Parliament can amend Fundamental Rights but cannot alter the basic structure of the Constitution.
Which of the statements given above is/are correct?

A. I only

B. II only

C. Both I and II

D. Neither I nor II

Answer: C. Both are correct.

PRACTICE

26. Consider the following pairs (Schedule – subject):
1. First Schedule – States and Union Territories
2. Eighth Schedule – languages
3. Ninth Schedule – anti-defection
4. Sixth Schedule – panchayats
How many of the above pairs are correctly matched?

A. Only one pair

B. Only two pairs

C. Only three pairs

D. All four pairs

Answer: B. The Ninth Schedule protects certain laws (mainly land reforms); anti-defection is the Tenth. The Sixth Schedule is about tribal areas of Assam, Meghalaya, Tripura and Mizoram.

PRACTICE

27. Which one of the following statements is NOT correct?

A. The Vice-President can be removed only by impeachment, like the President.

B. The Rajya Sabha can authorise Parliament to make laws on a State List subject (Article 249).

C. The Rajya Sabha can start the creation of a new All-India Service (Article 312).

D. The President nominates 12 members to the Rajya Sabha.

Answer: A. The Vice-President is removed by a Rajya Sabha resolution passed by an effective majority and agreed to by the Lok Sabha; no impeachment is needed.

PRACTICE

28. Arrange the following in chronological order:
1. Balwantrai Mehta Committee
2. 73rd Constitutional Amendment
3. Ashok Mehta Committee
4. PESA Act (Panchayats Extension to Scheduled Areas)
Select the correct order:

A. 1, 2, 3, 4

B. 3, 1, 2, 4

C. 1, 3, 2, 4

D. 1, 3, 4, 2

Answer: C. Balwantrai Mehta 1957 → Ashok Mehta 1977 → 73rd Amendment 1992 (in force 1993) → PESA 1996.

PRACTICE

29. A citizen believes that a person has been appointed to a public office for which he does not have the legal qualifications. Which writ asks 'by what authority' he holds the office?

A. Habeas corpus

B. Mandamus

C. Prohibition

D. Quo warranto

Answer: D. Quo warranto challenges the legality of a person's claim to a public office.

PRACTICE

30. Consider the following statements:

1. Articles 5 to 11 in Part II of the Constitution deal with citizenship.

2. Under Article 11, Parliament can regulate the right of citizenship by law.

3. India allows dual citizenship for its citizens.

4. The rules under the Citizenship (Amendment) Act, 2019 were notified in March 2024.

Which of the above are correct?

A. 1 and 2 only

B. 1, 2 and 4 only

C. 2, 3 and 4 only

D. 1, 2, 3 and 4

Answer: B. India has single citizenship; OCI (Overseas Citizenship of India) is not dual citizenship.

RECALL BOX: CLOSE THE NOTES AND WRITE THESE IN YOUR OWN WORDS

After the test: score = correct − (wrong ÷ 3). For each wrong answer write: the question number, the correct fact in one line, and its Polity topic (Preamble, Rights, DPSP, Executive, Parliament, Judiciary, Federalism, Emergency, Local government, Constitutional bodies, Schedules, Amendments). Re-read only those topics.

NOTEBOOK PAGE · Day 38: write this from memory

Close the notes. Write these headings, fill every blank, then correct in a different colour.

GEOGRAPHY: Natural resources of India and AP

Area	Write
India	Kinds of resources; five mineral belts; each mineral with leading States and famous mines; energy (coal, oil, gas, nuclear, renewables, 50% non-fossil capacity); water and land figures
Andhra Pradesh	Barytes, limestone, granite, mica, uranium, beach sands, manganese, bauxite, diamonds, KG basin, solar parks; water and forest resources

ECONOMY: Tax structure and GST

- Art 265; direct vs indirect; progressive/proportional/regressive; Union, State, local taxes; income-tax regimes and the 2025 Act; corporation tax 2019; abolished taxes; GST: 101st Amendment, 246A, 269A, 279A, structure, ITC, GST 2.0 rates, items outside, GSTN, e-way bill, GSTAT; tax-GDP ratio; buoyancy; AP's own taxes.

PRACTICE: Polity test

Write your score, list the topic of every wrong answer, and re-read those parts of your Polity notes before tomorrow.
